Re: Your Inquiry of 3 June 1947
APO 170 (Supplement)

This office also called itself Refugee Control Board, using this name on forms certifying employment of its collaborators.

Since April this office practically suspended operations. The American major immediately working with Georgij WOLKOW [VOLKOV] is no longer meeting with him. Even when he arranges for new meetings, these are always postponed.

A meeting set for 4 Jun 47 was postponed to 12 Jun 47, but was not held, either.

The inner circle of collaborators, recruited for this work by WOLKOW personally, has been gradually liquidated. WOLKOW himself is leaving these days for a vacation in the country. He feels this concludes his activities.
